- Relevant coursework: Graphic Design, 3D Prototyping, Human-Centered Design, Design Justice
- GPA: 3.56

SELECTED DESIGN PROJECTS

Texas Men's Lacrosse Apparel & Merchandise, Austin, TX 2025 – Present

- Longhorn Shootout: design and sell merchandise each year at a tournament the team hosts for K–12 teams; generated $55K in onsite merchandise revenue at the 2026 tournament
- Pink Out Game: designed custom uniforms (jerseys and shorts) and helmet decals for a breast cancer awareness game scheduled for Feb 19, 2027
- Shootout for Soldiers: designed military-themed jerseys for Texas and rival Texas A&M for a charity game honoring veterans; raised $1,500 through online and in-person donations
- Manage production with vendors including BSN and Austin Screen Printing

Beyond Malibu Shop Brand & Merchandise Line, Young Life Camp In progress, Summer 2027

- Taking over the camp shop's full product lineup, developing a new brand identity and merchandise line that builds on the camp's story and personality

Hill Country Margaritas Merchandise Line, Austin, TX Summer 2025

- Designed an eight-piece merchandise line (1 hoodie, 3 shirts, 3 hats, 1 dog toy) for an Austin margarita machine rental company

EXPERIENCE

Texas Men's Lacrosse, Austin, TX Aug 2024 – Present

Equipment Manager (Apr 2026 – Present), Assistant Equipment Manager (Apr 2025 – Apr 2026), Player

- Manage equipment inventory, ordering, and distribution for a roster of about 50 players
- Secured $10,000 per year in free team ordering through BSN by building a strong relationship with their sales representative

Beyond Malibu (Young Life), British Columbia, Canada Summer 2026 – Present

Mountain Guide (Summer 2026); Lead Guide and Shop Manager (incoming, Summer 2027)

- Led 6-day backpacking and sea kayaking trips for groups of 7–19 high school and college students, responsible for safety, meals, camp setup, and daily programming
- Served as trip medic while leading under demanding physical conditions

Hill Country Margaritas, Austin, TX Jul 2025 – Feb 2026

Technician

- Set up and picked up margarita machines at customer homes and events, working directly with customers on site
